General Information

1. What action are you requesting from the Board?

The Sheriff's Office is requesting approval of Budget Modification MCSO-13 to appropriate \$15,000 awarded thru a grant from the Bulletproof Vest Partnership Program for the purchase of bulletproof vests.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Public Law 105-181 has provided over \$25 million dollars for the Bulletproof Vest Partnership Grant Act, which is administered by the Bureau of Justice Assistance (BJA) at the U.S. Department of Justice. The purpose of the Act is to protect the lives of law enforcement officers by helping states and units of government to equip their officers with bulletproof vests that meet National Institute of Justice standards. The FBI estimates that the fatality risk to officers not wearing vests is 14 times greater than to those that are. This grant provides a one to one match for supplying vests to uniformed officers. This action affects Program Offer 60063 MCSO Patrol in the FY 11 Adopted
