General Information

1. What action are you requesting from the Board?

Requesting Board approval to reallocate \$100,000 from the Central Library Lighting Upgrade project to the Central Library John Wilson Room HVAC replacement.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

Multnomah County Library is currently renovating the John Wilson Room. During the design phase of this project it was determined that the HVAC equipment for this room was at the end of its life. It is in the County’s best interest to replace the HVAC unit in conjunction with the current project. This eliminates significant soft costs associated with work in this room. Combining the HVAC work with the John Wilson Room renovation project gains economy’s of scale, project efficiencies and is fiscally responsible.

3. Explain the fiscal impact (current year and ongoing)

There is impact to individual project budgets and no impact to the overall FY12 Capital

Improvement Program (CIP) budget.

4. Explain any legal and/or policy issues involved.
