During the fiscal year 2012 budget process, the District Attorney's Office requested the Board to fund a position to focus on issues raised in a recent State Audit regarding restitution practices in the various counties around the state. The Board granted this request and voted to fund a staff position beginning in July. The District Attorney matched that contribution by dedicating a half time attorney position to add to the effort. This presentation is a progress report on the work undertaken by the District Attorney's Office since July and will include goals and ideas for next steps.
