General Information

1. What action are you requesting from the Board?

The Commission on Children, Families & Community recommends approval of budget modification NOND-01 which appropriates \$119,760 in new funding.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The family economic security project conducts outreach to low and moderate income community members and helps enroll eligible children and families in benefit programs like Healthy Kids, Supplemental Nutrition Access Program (SNAP), and other benefits. The FES team received two revenue contracts one with Healthy Kids (State of Oregon) and the other with Partners for a Hunger Free Oregon. The first contract requires the team to enroll 200 children in Healthy Kids, produce a best practice document on school engagement and begin coordinating the Multnomah County application assistance organizations (AAO) and

holding regulars meetings and trainings to improve practice amongst all AAOs. The second contract supports the team conducting outreach for the summer food project throughout Multnomah County to ensure that all summer food sites are fully utilized by the community. This change will impact program offer 10008 Community Engagement and Plan Implementation.

3. Explain the fiscal impact (current year and ongoing)

Revenue from the State of Oregon will increase by \$99,760 and by \$20,000 from Partners for a Hunger Free Oregon. Expenses for personnel will increase by \$118,758, supplies by \$502, and communications by \$500. Service reimbursement to the risk fund increases by \$32,352.

4. Explain any legal and/or policy issues involved.
