General Information

1. What action are you requesting from the Board?

Request approval of Budget Modification NOND-09 transferring \$75,000 from general fund contingency to the Department of County Human Services (DCHS) to fund activities of the Rosewood Initiative.

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer this action affects and how it impacts the results.

The Rosewood Initiative is working through partnerships with Portland Police, Gresham Police, Multnomah County Parole and Probation, the faith community, business owners, residents and other interested parties to improve the neighborhood surrounding the intersection of 162nd and Burnside. This area has long been plagued with high crime rates and few opportunities for residents. Multnomah County's investment of \$50,000 will be matched by donations from the business community and the Portland Police. The funding will be used to build out the community meeting space used as a hub for community building by the organization. The additional investment of \$25,000 will be used as bridge funding for operations until grant funding and City of Portland dollars become available. This budget modification will move the funds from the General Fund Contingency into

program offer 25139A in DCHS.

3. Explain the fiscal impact (current year and ongoing).

This funding request is one time only and will only affect FY 2012.

4. Explain any legal and/or policy issues involved.

N/A

5. Explain any citizen and/or other government participation that has or will take place.

The Rosewood Initiative is a nonprofit whose goal is to build community and create a safer neighborhood for the nearly 5,000 residents that live in the 15 block area around 162nd and Burnside. The Rosewood Initiative works to create a stronger sense of partnerships by bringing together traditionally disenfranchised members of the community with established business, apartment owners, law enforcement, service providers and faith leaders. They have active partnerships with the Gresham Police Department, the Portland Police Department, Multnomah County Parole and Probation, Multnomah County DCHS, East Portland Action Plan, the Gang Taskforce and the City of Portland. They are planning activities to engage youth, families, and the community in the Rosewood Cafe.
