### General Information:

#### 1. What are you requesting from the Board?

An informational briefing in response to Fiscal Year 2023 Budget Note (see response to next question)

2. Please provide sufficient background information for the Board and the public to understand this issue. Please note which Program Offer(s) this action affects and how it impacts the results.

In June of 2022, the Multnomah County Board of Commissioners approved the following budget note as part of the Fiscal Year 2023 budget:

The Multnomah County Sheriff's Office has expressed interest in utilizing body-worn cameras (BWC) for their law enforcement division. Several other law enforcement agencies within Multnomah County have deployed the devices in their organizations, including the Gresham Police Department, Port of Portland Police, and Portland State's Campus Public Safety Office. The Portland Police Bureau is also in the midst of a multi-year process to implement their usage.

The roll out of body worn cameras within a law enforcement agency is a complex process. The Board of County Commissioners requests a briefing no later than March 1, 2023, to obtain a greater understanding of this undertaking. The briefing should include an analysis of the following:

1. The proposed policies and procedures for BWC usage;
2. The interagency dialogue and agreements that must be developed to ensure appropriate alignment of usage and review, especially those incidents involving multiple agencies;
3. The procurement process for both devices and storage;
4. Estimates of the ongoing costs to support this effort, including but not limited to staffing responsibilities and personnel, IT and footage review by the District attorney's office;
4. The process for review of potential misconduct and the standards for referral to an external agency for investigation; and
4. A timeline outlining procurement, policy development, and deployment.

The Multnomah County FY 2023 budget sets aside \$500,000 in contingency funds to assist with the start of implementation. This briefing will assist the Board in determining whether to release those funds.
